d. A letter authorization was issued to Contract KD-3540 with Minneapolis-Honeywell approving long lead items which, if not ordered, would have resulted in program delays. The Government's maximum liability is [] through February. This authorization is within the funding approved by OGC-0219. This item was also reported in Weekly Report No. 60-32 for the period February 7 to 13, 1960.

e. Amendment 2 to Contract No. TT-1001 with Pratt & Whitney increased available funding from [] to [] for previously approved work. This was approved by OGC-0219 and reported in Weekly Report No. 60-33 for the period February 14 to 20, 1960. You will recall that this [] had previously been added to that contract but had been withdrawn on the basis of Bureau of the Budget reduction in available funding. Subsequent thereto, we were advised that the entire [] would be transferred from the Department of Defense and this [] was then reinstated by the aforementioned document.

3. While we were not able to comply with the letter of your request in the referenced memorandum, mainly because of your absence, we believe its intent was met in that you were aware of the above actions. This is particularly true in the case of L.A.C. where you promised Mr. Johnson immediate contract coverage beyond the []

4. When we originally discussed the Activity Program system we had hoped that the detailed Monthly Report and the line item Weekly Report would be sufficient to keep you informed. Particularly, since very little can happen on a contract during a week that cannot be quickly corrected by a phone call, particularly considering mailing time. We will, however, forward to you commencing 26 February, the requested paper for your signature and return.
